AA#1709 Promoting Parent Engagement for Student Success

REGIONAL OFFICE OF EDUCATION
KANE COUNTY

Promoting Parent Engagement for Student Success is a program that guides school administrators to efficiently build and maintain effective parent engagement opportunities within their school communities. Attendees will learn what research is revealing about the impact of parent engagement on student success, evaluate the school's current efforts at parent engagement, examine the four elements of a holistic approach for parenting, learn research based strategies to maximize the impact of parent meetings, and develop an Action Plan to implement the five Strategic Steps for Success.
